

### § 334.855

communication with the shore station controlling the firing.

(3) [Reserved]

(4) The appropriate enforcing officer has authority to suspend any scheduled firing for reasonable periods during regattas and immediately after fishing nets are destroyed or dislocated by severe storms.

(5) The special firing notices which will include schedules of use will be published by the enforcing officer indicated in paragraph (e) of this section, in sufficient time to permit circularization to interested parties and posting on the bulletin boards of post offices in surrounding localities. Special notices will also be furnished the District Engineer, Corps of Engineers, Detroit, Mich.; the Commander, Ninth Coast Guard District, Cleveland, Ohio; the Regional Manager, Federal Aviation Administration, Chicago, Ill.; and each of the enforcing agencies listed in paragraph (e) of this section. Users of the waterway shall familiarize themselves with the current special firing notices. If in doubt, inquiry should be made to the enforcing officer indicated in paragraph (e) of this section.

(6) Agencies desiring to use the areas shall present their requirements to the respective enforcing officer who is responsible for, and is granted authority to, coordinate the firing and established priorities, for the using agencies.

(g) *Fishing permits.* Fishermen desiring to set fixed nets within the danger zone are required in every instance to have written permits. Permits for placing nets within Areas I and II may be obtained by written application to the Adjutant General, State of Ohio. Applicants for permits must state the location at which they desire to set fixed nets and the period of time which they desire the permit to cover.

(h) *Injurious chemicals.* No phosphorus or other poisonous chemicals injurious to wild fowl or fish will be discharged into the waters of the areas.

(i) The regulations in this section shall be reviewed annually by the Department of the Army to determine
